

# Region 21 Fall 2016

## Post registration

## Frequently Asked Questions

[www.aysoregion21.org](http://www.aysoregion21.org)

### **How does AYSO work? How may I help?**

The AYSO organization is run entirely by volunteers who give of their own time. You may help as a coach, referee, team parent, Board Member or in other areas. AYSO will provide complete training.

### **How long is the fall soccer season and when are the games?**

Games start the first Friday/Saturday after Labor Day and continue through mid November. The schedule will vary by division with U5 thru U14 players participating in post season playoffs that will run into December. Games may be scheduled as early as 8:00 AM on Saturday or Sunday

### **What if my child no longer decides to play?**

Region 21 has a refund policy. We will refund your registration if you request a refund by 9/11/16. After 9/11/2016 . Please see the website for more details, under documents (Drop Player Form)

### **How are teams formed?**

Teams in divisions U8 through U14 are balanced based upon each player's skill level, age and experience. Due to the need to create balanced teams, requests to be placed with friends or neighbors or for carpool purposes cannot be accommodated. Requests to move from one team to another due to practice conflicts will not be accommodated. Teams in U5 - U8 divisions will be placed by the program directors according to neighborhoods, schools and requests. Our volunteers do the best they can, however, we are not able to place according to every request. Please understand that we do try.

### **I have neighbors who would still like to sign up. Can they?**

Yes, Please tell your neighbors and friends to check our website for more info. Contact our RC Darryl L. 310-739-3933

### **Why do other cities seem to begin practicing before Region 84?**

The City of Hawthorne has some of the most well maintained fields in Wiseburn. To keep them in great condition, they close them for the summer to give them a chance to "rest." We are allowed to use fields beginning Sept 6.

### **When will the practice and game schedules be released?**

The Wiseburn School District usually gives us our field permits in mid-August. We assign age groups to fields based upon the size of the division and league, and then the fields and teams are sent to the scheduler to create the game schedules. We strive to have schedules released 7-10 days prior to opening day but sometimes unforeseen circumstances delay this.

### **Where and when will my child practice?**

Practices are held at numerous fields in Wiseburn. The decision of place, day, and time is determined by division and league size, taking into consideration the coach's request. Practices are generally conducted per twice per week, except U which are once per week. U5-U6 only plays and practices on Saturdays.

### **Who do I contact with questions?**

Most questions can be answered on our website. Please check there first. All board members have a specific job and our emails are listed on the website. We are here to help, but please remember we are volunteers who also have jobs and take vacations. We do our best to answer in a timely manner. If you don't hear back within a week, please email again and cc the Registrar, Regional Commissioner or Assistant Regional Commissioner.

For questions regarding:

- Registration and refunds - please contact the Registrar.
- Volunteer forms and general volunteer questions – please contact the CVPA.
- Referee classes and general referee questions – contact the Referee Administrator
- Coaching classes and general coaching questions – contact the Coach Administrator
- Specific division and program questions, inquiries about coaches after Aug. 24th, or to volunteer to coach your child's team - please contact the age/gender specific Program Coordinator.

**We hope you have a fantastic soccer experience in  
Region 21 and we look forward to a great fall season.  
See you on the field!!**

**Please remember that it takes many volunteers to run this great program for your player. Your help is always needed and appreciated.**
